SERVING THE CHILDREN OF THE WORLD

The Kiwanis Clubs of Quincy are again embarking on a special project to strengthen our commitment of serving children, while also enhancing the community in which we live. Together with the Quincy Park District we will construct the Lincoln Park Shelter House that will feature ADA accessible restrooms. The Shelter House will be built just east of the new Kiwanis Centennial Playground, providing clean restroom facilities as well as shade and shelter from the weather, further expanding opportunities for play to the area's children.

To assist us in this endeavor, we invite you to showcase your support of this project by providing your tax deductible gift to this extremely worthy cause. Please know all donors will be recognized for their gift unless the box is checked below to remain anonymous. Bronze, Silver & Gold Donors will have their names included on a plaque to be displayed next to the Shelter House. All donors will also be recognized on the Playground/Shelter House website, and will be listed in order per their gifting level (Friend, Bronze, Silver or Gold). We thank you for your kind consideration and support of the new Lincoln Park Shelter House.
